TO ALL BRANCHES WITH BT MEMBERS

Dear Colleague

BT PERSONNEL - World Cancer Day, 4th February 2020

World Cancer day will take place on 4th February 2020 and as part of this BT will have a Macmillan bus visit outside BT Centre, London. Macmillan's contact details are given below:

Or visit www.macmillan.org

Branches are encouraged to highlight World Cancer Day to members. Eighteen million people worldwide were diagnosed with cancer in 2018 and although significant advances have been made in the fight against cancer there is still a lot more to do.

Copied below are the links to cancer research and the World Health Organisation which give further information regarding World Cancer Day.

Also attached is a CWU poster that can be used for display purposes.

Any enquiries from Branches regarding this LTB should be referred to my office in the first instance.

Yours sincerely

Dave Jukes

#WorldCancerDay

#IAmAndIWill

World Cancer Day every 4th February is the global uniting initiative led by the Union for International Cancer Control (UICC). By raising worldwide awareness, improving education and catalysing personal, collective and government action, they are working to reimagine a world where millions of preventable cancer deaths are saved and access to life-saving cancer treatment and care is equal for all – no matter who you are or where you live.
